**FANTECH, INC. ANNOUNCES ACQUISITION OF  
EMERSON VENTILATION PRODUCTS**

**SARASOTA, FLORIDA** – Fantech, Inc. is pleased to announce the acquisition of Emerson Ventilation Products of Lenexa, Kansas by Fantech’s parent company Systemair AB. The complete line of Emerson ventilation products including Power Roof Ventilators, Ceiling Exhaust Ventilators, Wall Fans and Air Circulators will now be distributed through Fantech’s nationwide network of distributors in both the US and Canada under the Fantech brand name.

Glenn Thompson, President of Fantech, Inc., states, “ With the addition of the Emerson products to the Fantech line, we have strengthened Fantech’s total package of quality air movement products to fulfill the needs of architects, engineers and builders for commercial and residential applications.”

For more information on the total package of Fantech Ventilation Products, visit [www.fantech.net](http://www.fantech.net) or call 1-800-747-1762 for the name of a Fantech Representative or Distributor in your area.
